

**As you journey through life & its roads and paths...**

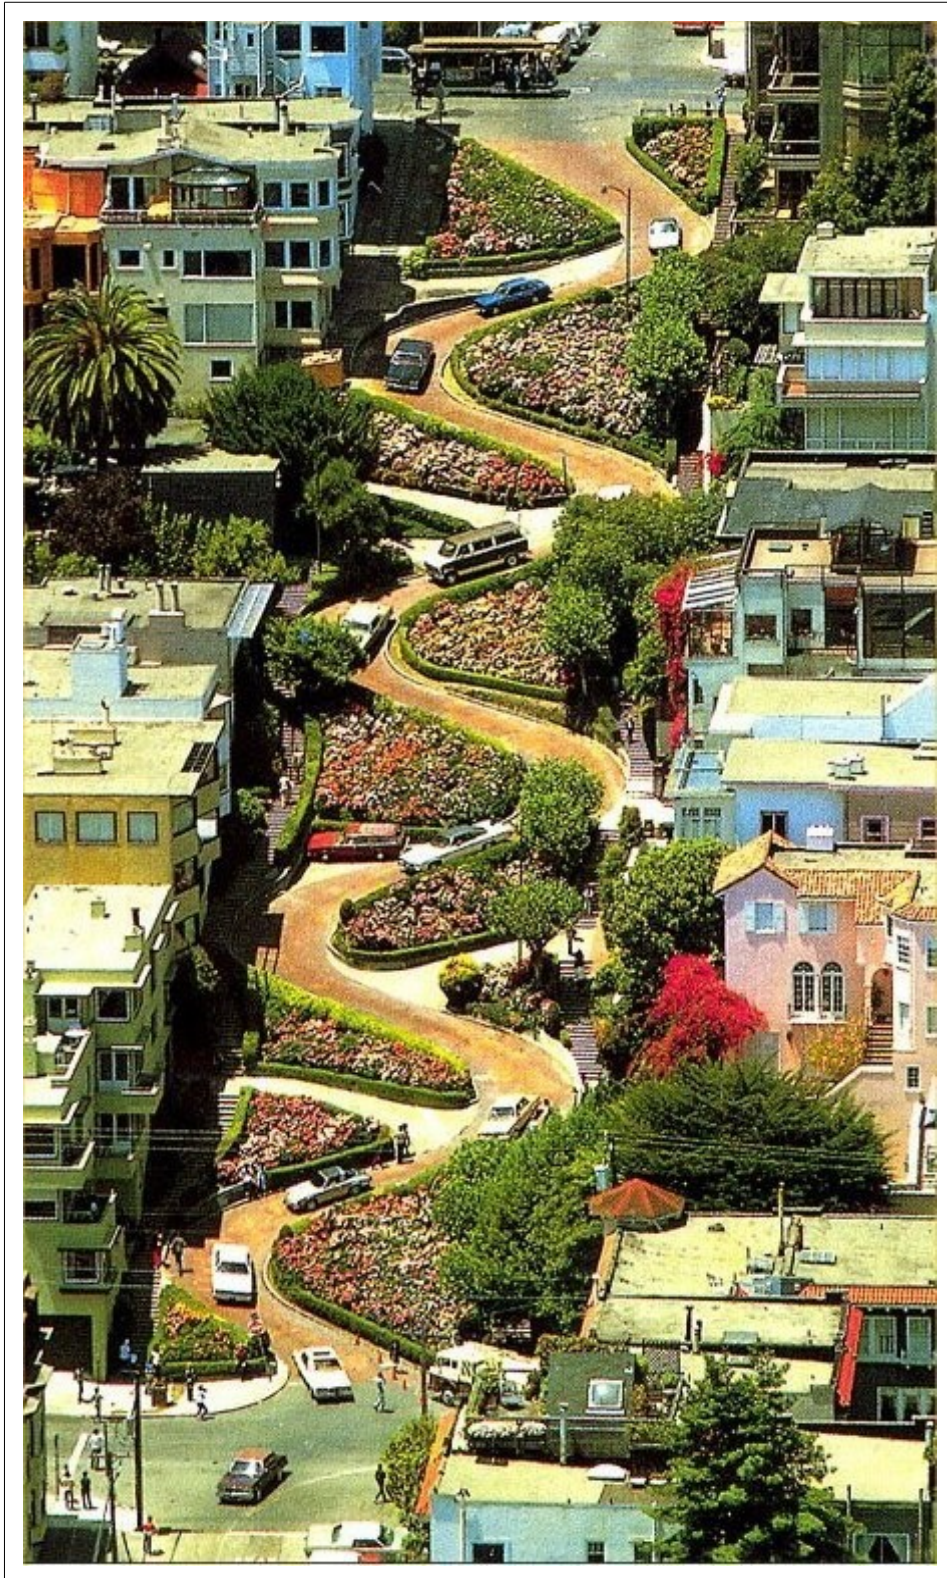

**there may be some steep hills to climb,**

**some times when the road seems treacherous  
and you aren't sure which turn to take...**

**times when you feel like you are on  
the brink of falling,**

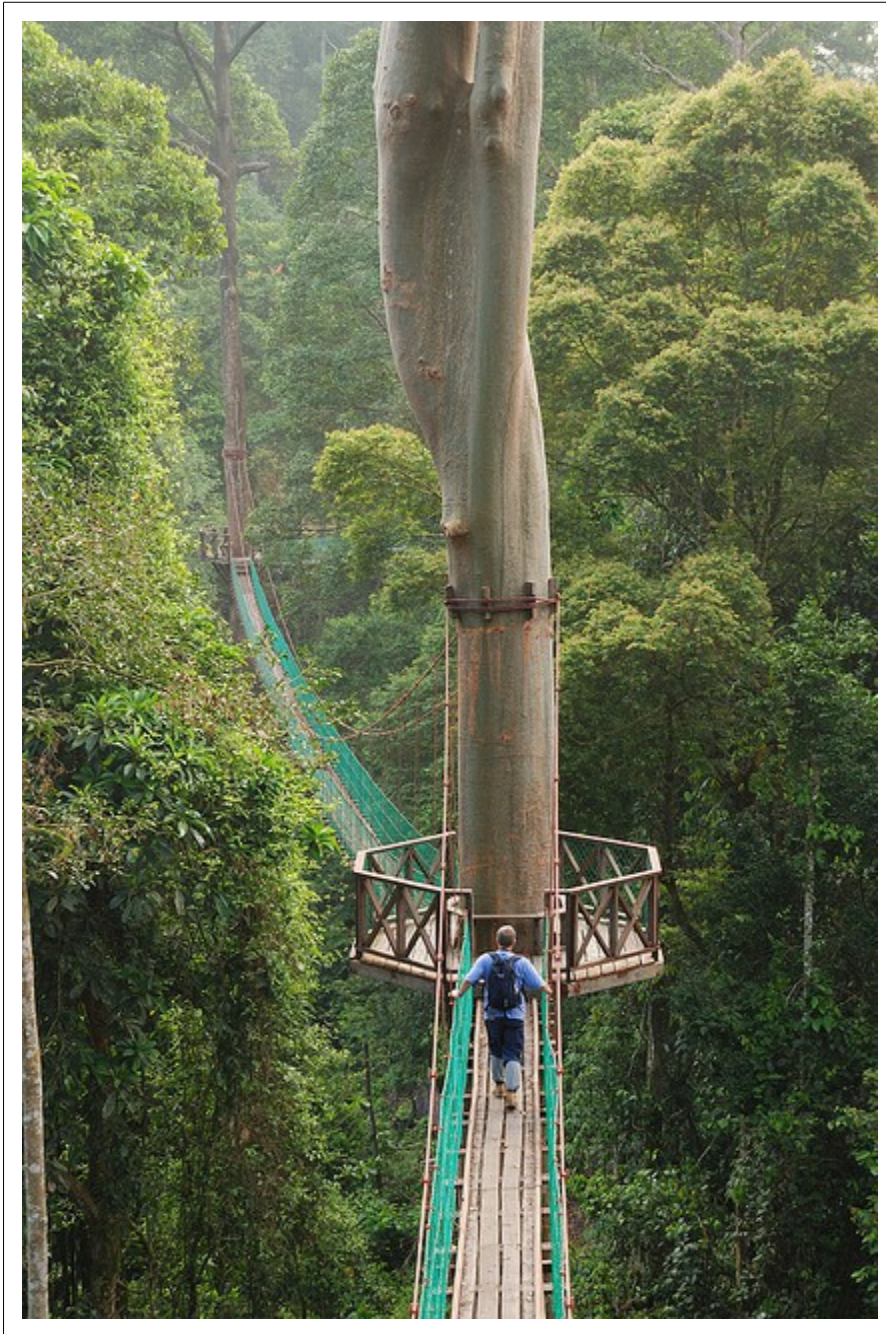

**and there may be many curves in the road.**

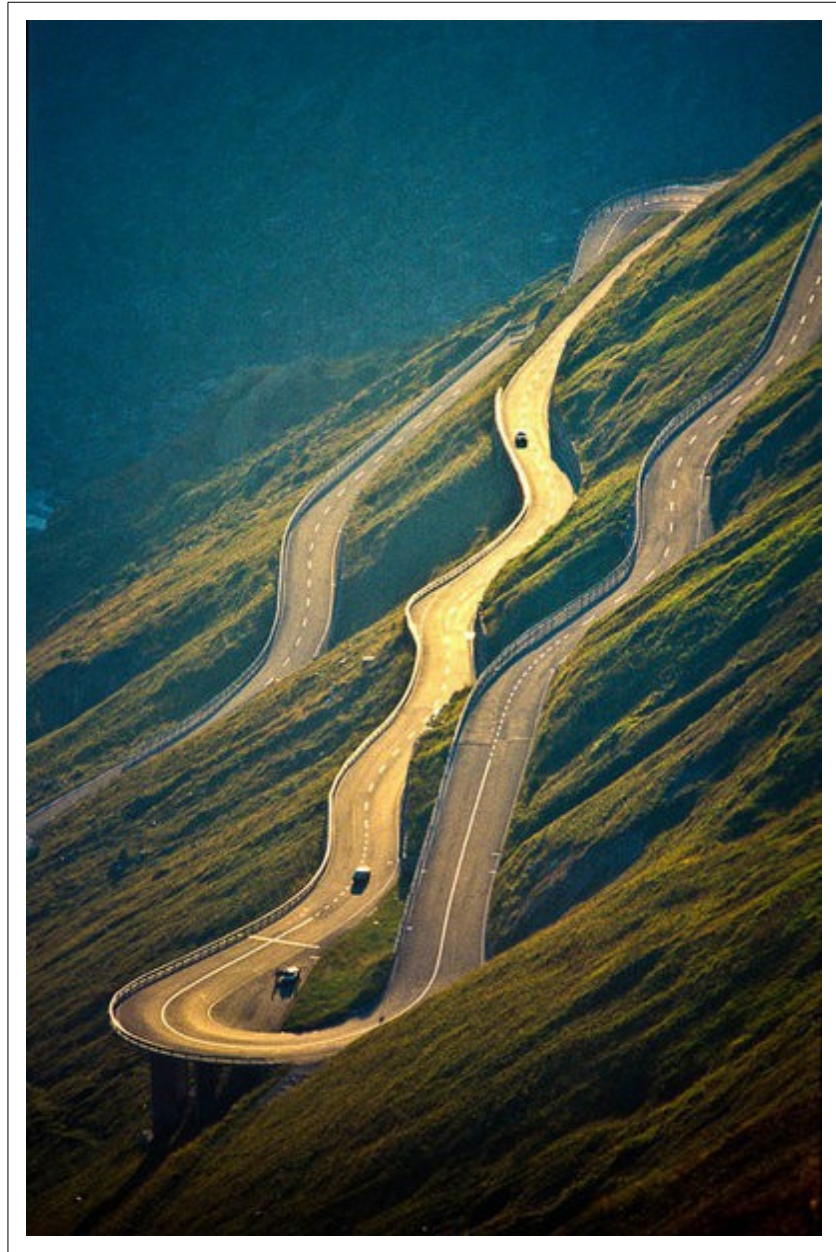

**As you make your way through  
the ups and downs of living,**

**May you know God's presence with you  
through each tunnel,**

**every steep climb,**

**every curve,**

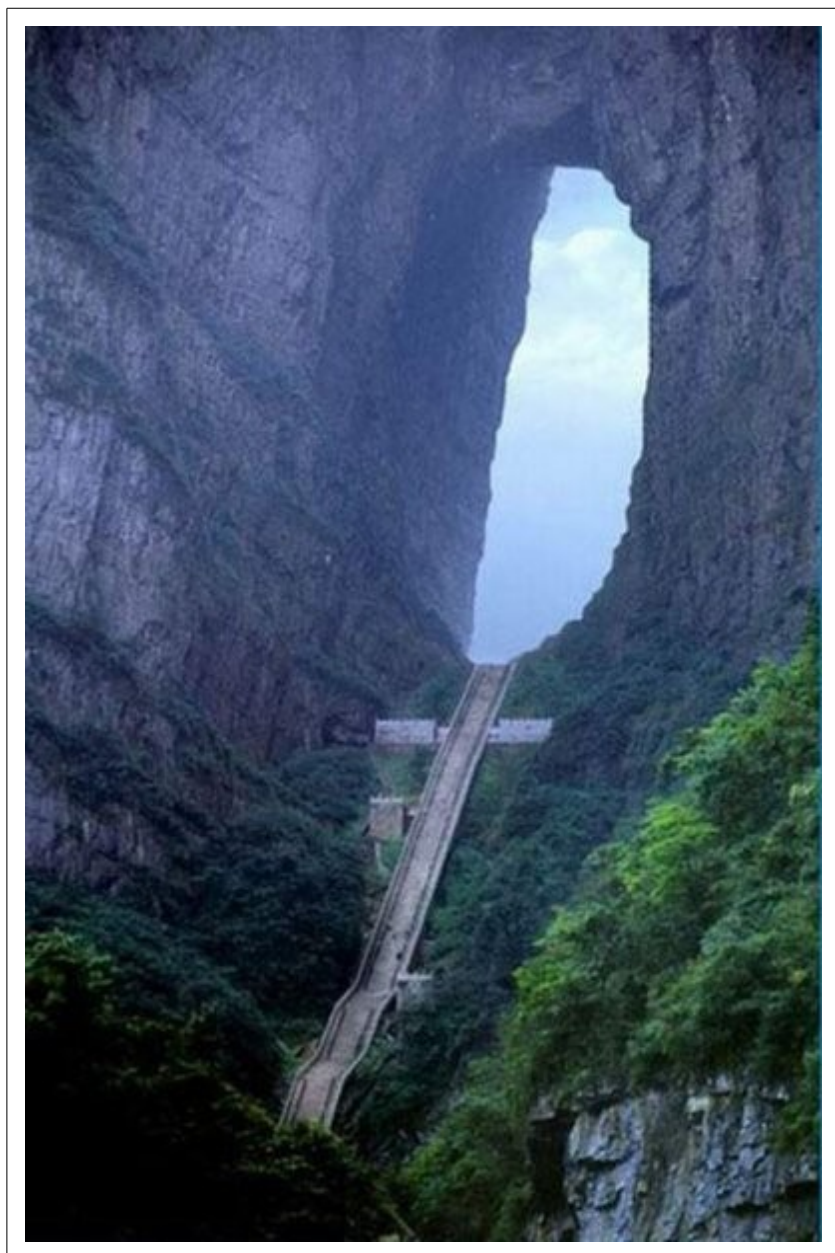

**in the beautiful mountaintop experiences  
with Him,**

**and through the slippery storms of life;**

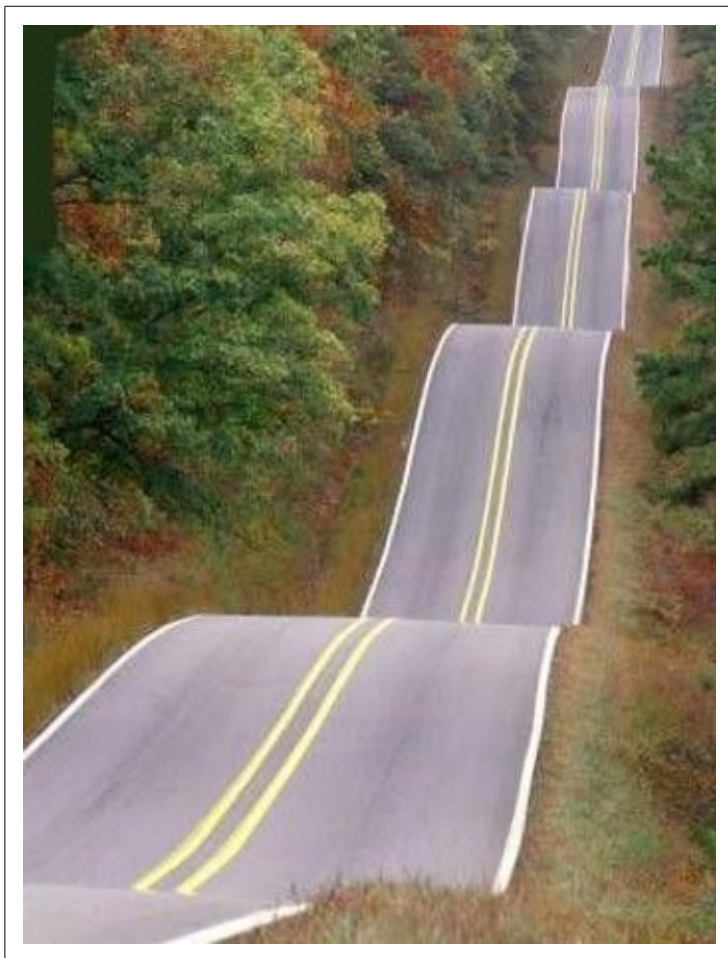

**May He walk with you down through  
the valleys and up the mountains,**

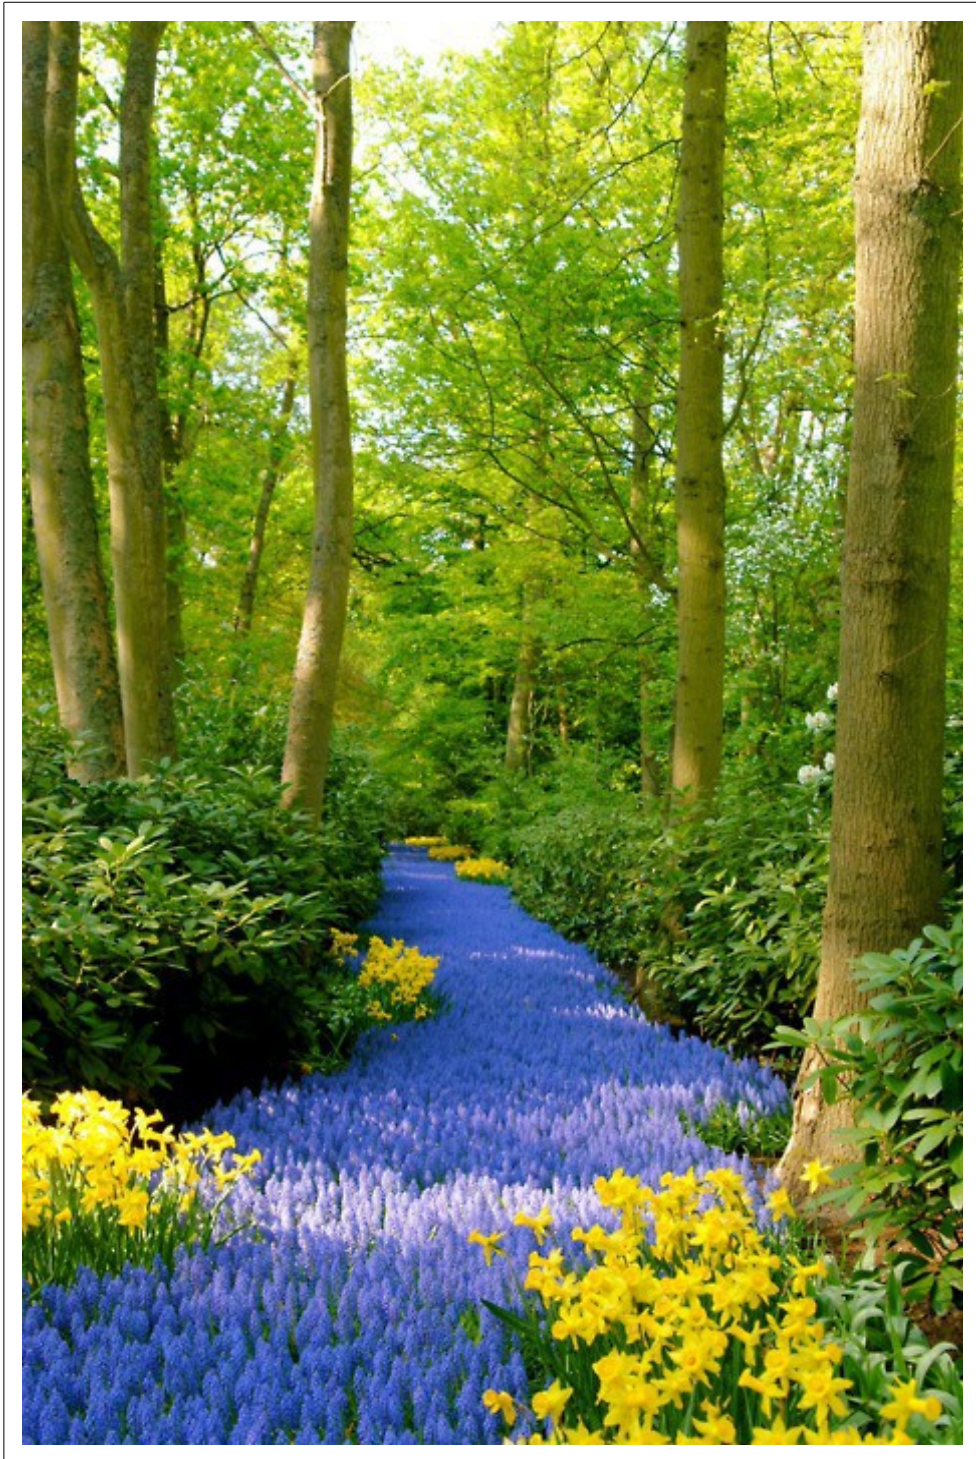

**take your hand and guide you  
through to the light,**

**put a hedge around you to keep you safe,**

**help you to find joy and excitement  
in the roller coaster ride,**

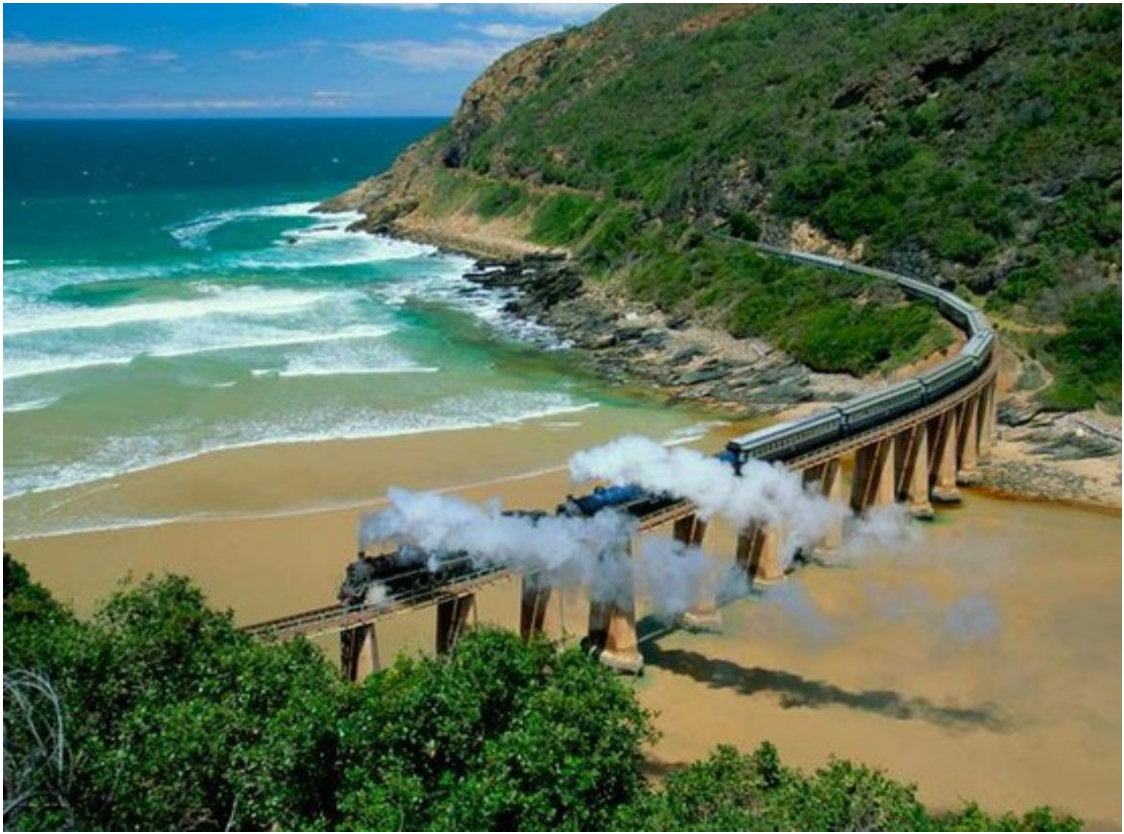

**and fill you with amazement at the beauty  
He provides along the way.**

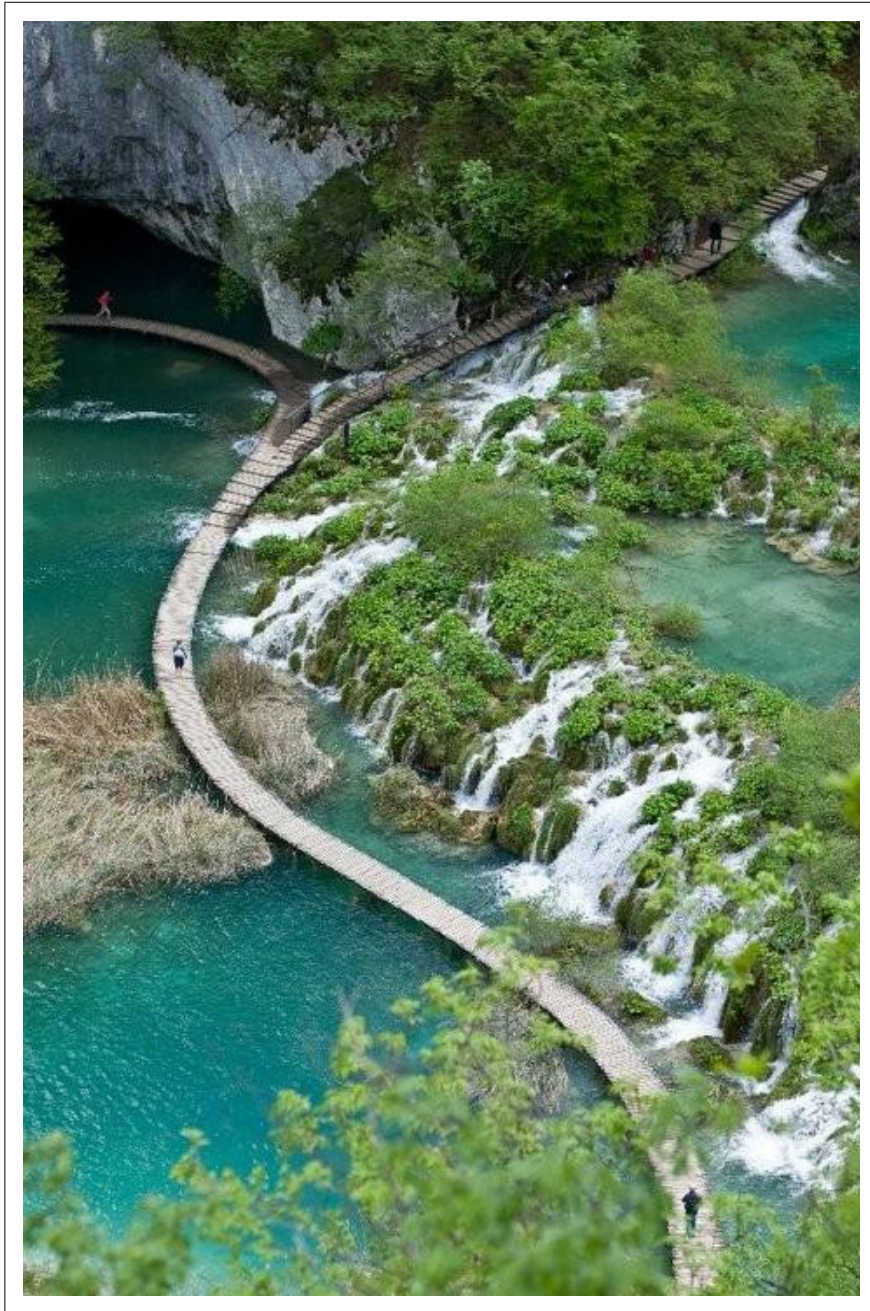

**Take time to smell the flowers,**

**To admire His handiwork**

**along life's railway;**

**And may His love flood over you, fill you,  
and overflow in praise to Him for all He's done,  
does and will do!**

**Amazing..... *ISN'T HE!!***

Live simply.  
Love generously.  
Care deeply.  
Speak kindly.  
Leave the rest to God.
